UNSHAKEABLE FAITH

If one thing is crystal clear in the Bible, it is the idea that the people of faith are to bow down to God and God alone (Exodus 20:3-5). Daniel 3:16-18, "Shadrach, Meshach and Abednego replied to the king, "O Nebuchadnezzar, we do not need to defend ourselves before you in this matter. If we are thrown into the blazing furnace, the God we serve is able to save us from it, and he will rescue us from your hand, O king. But even if he does not, we want you to know, O king, that we will not serve your gods or worship the image of gold you have set up." These mature believers knew that we have a God who can save us physically and spiritually. They understood that God may not spare their lives from the physical fire, but they still would trust God. They thought if God, in His sovereign wisdom, did not intervene in their situation their faith was still going to rest in the character of God. What enabled these men to be so courageous? They knew what they believed, and more importantly, they knew WHO they believed. There is no doubt to those who live faith-filled lives that God can rescue them from the fires of trial; but whatever God does, God is still God. Let us hold on to our faith so we can be eternally successful by God's grace.
