### **MOMENTUM**

God's track will take us to heaven if we will walk by faith. The majority of businesses, ministries, and lives are carried down the road by momentum. This principle can work for us or against us. It all depends upon whichever direction we consistently move. When we are upon whichever direction we consistently move. When we are headed in the right direction – God's direction – it is a good thing. When we are headed nowhere, it is frustrating and will stunt our spiritual growth. If we have stalled out in our daily walk with the Lord or have gotten off the track, we need to change direction and create a new momentum. Philippians 4:8-9, “8 Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things. 9 Whatever you have learned or received or heard from me, or seen in me – put it into practice. And the God of peace will be with you.” A solitary day of eating right, working right, talking right, thinking right, living right won't make a lot of difference all by itself. But decide to live by faith and go with God today, tomorrow, and every day and we will see how walking by faith today gives us momentum to walk by faith tomorrow. Get on God's track and build some momentum and our day-to-day efforts will give our future a whole new look.
