### **HAPPY FATHER'S DAY**

Godly men choose to serve the Lord no matter what others may do. The decision to follow the Lord is one we must make daily. The decision to serve the Lord is not one we only make once, or occasionally. The decision we make is an ongoing decision and resolve every single day to follow the Lord. Life has been defined as the sum total of all of a person's choices. Our lives are formed by our decisions and choices. We make our choices and then our choices make us. The message is not about the past, so do not let Satan discourage you. It is about what God can do in us and through us. It is a challenge that will help us in the future and assure our spiritual progress today. Joshua extended a challenge to the people in his day. Joshua said, "Choose for yourselves this day whom you will serve... but as for me and my household, we will serve the Lord" (Joshua 24:15). Together may we share the determination that Joshua had to personally serve the Lord. If the church is going to be what God has called her to be, we need a revival among men to choose to be godly fathers. Have you made it your choice to serve the Lord daily? Your wife needs you to be a godly man. Your children need you to be a godly man. Your business needs you to be a godly man. Your community needs you to be a godly man. God expects us to be a godly man by the grace He provides us.
