CHRIST HEALS OUR SOUL'S DISEASE

Is there no balm in Gilead? This was the question Jeremiah asked in Jeremiah the 8th chapter. There is a disease in our humanity, and the correct name for it is sin. We can dress it up if we wish. Call it by some polite name if it makes us feel better, but the prophet Jeremiah and others call it as God see it – SIN. Sin is a fatal disease, and unless we come to faith in Christ, sin will devastate our

souls for eternity. At Calvary, we know that his sinless blood has opened the way for our forgiveness. We know by His sacrifice we can be healed, and forever be with God. Christ heals our soul's disease and He is our balm. There is no public service announcement that will change our hearts. Yet, we can praise the Lord there is a cure for sin! There is a balm in Gilead. There is a way for our sin to be forgiven. There is a way for our life to be changed forever. There is a way for us to obtain eternal life. There is a healing for your hurt and suffering. That healing balm is JESUS CHRIST, who died for you and me! There is no physician outside of Jesus for this cure.
