### **THE LORD'S DAY ASSEMBLY**

The Lord's Day worship assembly is valuable because it helps us keep a proper perspective on life and death. We know church attendance is valuable because it was God's idea and His plan. The assembly allows us to gather around the Lord's table as the family of God. The assembly helps us to grow up in our faith as we reflect on God's Word. The assembly helps prepare us for heaven and helps us equip ourselves to overcome temptation. The assembly gives us opportunity to encourage others. A woman, who was capable of attending the church assemblies, asked the preacher "Do you think I will be lost for consistently missing the public worship assembly on Sunday?" He answered "I'm not sure, but you might be lost for not loving the Lord and His people enough to consistently attend the Lord's Day worship assembly." Imagine a school in which students could come and go as often as they wanted to or not at all. Could that school be the educational blessing it was designed to be for those who do not attend? Imagine an army in which half of the soldiers were AWOL most of the time? Could that army function properly? God wants us to meet together, if at all possible, not to place a burden upon us but to benefit us. Hebrews 10:25, "Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another – and all the more as you see the Day approaching."
