LET YOUR LIGHT SHINE

Light is characteristic of the people of Jesus in its total brightness and warmth. Jesus' influence makes us genuine and pure and able to shine into the darkness of the world. It is Christ's Light in us that enables us to let our lights shine for His glory.

The children sing, "This little light of mine, I'm going to let it shine...", but these words provide an accurate truth for all the people of God. Jesus is the Light of the World. No light can radiate brightness, warmth, and truth like the light of Jesus. After Jesus rose from the grave, He sent His disciples out to be an extension of His light in the world. We are going to be traveling through, "The Beatitudes" in our Sunday morning lessons together. The attitudes we are to develop in the first part of Matthew Chapter Five will help us generate the shining light we are to have as God's people. I will emphasize in these lessons what it means to let our lights shine and how we can do it. Our genuineness as a follower of Jesus is measured by the degree our lights shine for Jesus.
