HAPPY FATHER'S DAY

We thank God for every father we have in this church family. Fathers have a unique assignment before God. Ephesians 6:4, “Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord.” It has always been a challenge to build a strong faith in our children. No matter how noble our intentions, it often feels as though we’re swimming against the current today. It has been that way since the Garden of Eden. We can feel at times overwhelmed, but God will help us and the church family will help us. As our children grow up may we continue to influence our children for God even into their adult years.
